Dear President Albert:

Enclosed is the NAACLS Board of Directors' official accreditation award for your Medical Laboratory Technician program's accreditation as decided at its September 18-19, 2014 meeting.

The Board of Directors' award is based on the continuing accreditation review process that included a site visit of your program in Spring 2014.

Your program was previously awarded a six (6) month extension of accreditation, which will be deducted from the next award. Accreditation for your program will continue until April 30, 2019. As a result, your program will commence the continuing accreditation process with submission of the Self-Study Report on April 1, 2018 and the scheduling of a site visit during Fall 2018. We provide this information to assist you in your program's administrative and financial planning.

This letter and the accompanying award represent formal accreditation by NAACLS. The NAACLS Certificate of Accreditation will be forwarded to the Program Director.

Sincerely,

A handwritten signature in black ink that reads "Fred H. Rodriguez, MD". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Fred Rodriguez, MD
President, NAACLS Board of Directors
