This letter serves to confirm that Arizona State University (ASU) has had a long-standing partnership with and accepts transfer credits from Pima Community College.

Recently the Higher Learning Commission of the North Central Association has indicated that sanctions may be taken against Pima Community College. It is important for students to know that as long as Pima Community College retains its accreditation through the Higher Learning Commission of the North Central Association, credits earned by students will continue to transfer to ASU.

Further information about transfer credit and pathway programs from Pima Community College to ASU can be found at this website: <https://transfer.asu.edu/pima/>.

Sincerely,

A handwritten signature in black ink that reads "Maria L. Hesse". The signature is written in a cursive style with a large, sweeping initial "M".
