PURPOSE

To promote student success; retention, persistence and completion, the College maintains minimum academic standards and initiates additional requirements which support students who do not meet the minimum academic standards *Students who are identified as an International Student or Athlete may be held to higher or more restrictive requirements.*

SECTION 1: Minimum Academic Requirement

The College has a minimum academic requirement for all credit earning students. Students who maintain a 2.0 GPA and 67% completion rate cumulatively remain in good academic standing. Completion rate is calculated by dividing the number of credits that a student has attempted against the number of credits they have completed. Withdrawals and re-takes are included in this calculation.

SECTION 2: Procedures to Promote Minimum Academic Requirement

2.1 Academic Warning

The first semester a student falls below a 2.0 GPA and 67% completion rate, the student will be placed on Academic Warning.

2.2 Academic Probation

In any subsequent semester that a student on Academic Warning falls below the 2.0 GPA and 67% completion rate, the student will be placed on Academic Probation.

2.3 Academic Restriction

In any subsequent semester following Academic Probation where the student's GPA falls below a 2.0, the student will be placed on Academic Restriction. During Academic Restriction, a student will be limited in the total number of credit hours per semester until achieving a semester GPA of 2.0 or higher. *Full year and selective admission programs may require faculty approval for an exemption from restriction on course load.*

2.4 Academic Extension

In any subsequent semester following either Academic Probation or Restriction a student has a term GPA of 2.0 but does not yet meet the cumulative requirements (2.0 & 67% completion rate) will be placed on Academic Extension. Academic Extension is a 'holding' spot for the student who is making progress towards graduation on a term-to-term basis. There are no restrictions or requirements for Academic Extension.
