

Six Year Outcomes

Associate, then transferred rate: Number of students in the Six Year Cohort who have not earned a bachelor's degree by the end of six years, but have earned an associate degree from your institution and have evidence of transferring to another post-secondary institution (after receipt of the degree) by the end of their sixth year

Associate, no transferred rate: Number of students in the Six Year Cohort who have not earned a bachelor's degree by the end of six years, but have earned an associate degree from your institution and do not have evidence of transferring to another post-secondary institution by the end of their sixth year

Certificate, then transferred rate: Number of students in the Six Year Cohort who have not earned a bachelor's or associate degree from your institution by the end of six years, but have earned a certificate (or other formal award) from your institution and have evidence of transferring to another post-secondary institution (after receipt of the certificate) by the end of their sixth year

Certificate, no transferred rate: Number of students in the Six Year Cohort who have not earned a bachelor's or associate degree from your institution by the end of six years, but have earned a certificate (or other formal award) from your institution and do not have evidence of transferring to another post-secondary institution by the end of their sixth year

No award, transferred rate: Number of students in the Six Year Cohort who have not earned a formal award from your institution by the end of their six years, but have evidence of transferring to another post-secondary institution by the end of their sixth year

Still enrolled rate: Number of students in the Six Year Cohort have not earned a formal award by the end of six years, and do not have evidence of transferring to another post-secondary institution by the end of their sixth year, and who were enrolled at your institution

Not enrolled, 30+ credit rate: Number of students in the Six Year Cohort who were not enrolled in your institution at any time during the sixth academic year, have not earned a formal award from your institution by the end of six years, do not have evidence of transferring to another post-secondary institution by the end of their six years, and have earned 30 or more semester credit hours by the end of their sixth year

Not enrolled, less than 30 credit rate: Number of students in the Six Year Cohort who were not enrolled in your institution at any time during the sixth academic year, have not earned a formal award from your institution by the end of six years, do not have evidence of transferring to another post-secondary institution by the end of six years, and have earned less than 30 semester credit hours by the end of their sixth year
