College Admissions Checklist
EMT Program

PimaCommunityCollege

All prospective EMT Program students must attend an Emergency Medical Technology Information Session and complete items 1-3 below. The schedule can be found at pima.edu/emt-cert

Detailed instructions on how to complete this checklist is provided during the EMT Information Session.

1. Apply for admission at pima.edu/apply. Once you complete your application, you will be given a PCC Student ID number (begins with "A0").

2. Activate your MyPima account at mypima.pima.edu. MyPima is the student portal and is the primary communication tool for students and the College.

3. Complete and submit the Verification of Lawful Presence Form required by the state of Arizona to prove your U.S. citizenship. _____

Students seeking admission to the EMT Program must provide proof of proficiency in reading at the ninth grade level. To determine eligibility, the assigned program advisor will assist you with completing the section below. NOTE: Be prepared to provide your PCC student ID #, phone number and end goal (i.e., EMT, fire, paramedic) to the program advisor. For sample questions and other frequently asked questions about the placement tests, please go to pima.edu/assessment.

a. Minimum Accuplacer score of 69 _____ (Score) or minimum Accuplacer Next Generation score of 250 _____ (Score) or minimum COMPASS® score of 84 _____ (Score).
