

Networking/Cyber Defense Associate of Applied Science Cyber Security Focus

Full-Time, Fall Start

www.pima.edu/networking-aas

Are you interested in working with Cisco Systems networking and Internet hardware? Learn how to install, configure, maintain and troubleshoot Cisco routers and components. Courses also provide preparatory knowledge to take a variety of industry-recognized certifications.

Title IV Financial Aid eligibility: Yes

What can I do with this degree?

Career options: Graduates are prepared for a technical career working with networks and Cisco routers.

Academic options: This program may apply toward a Bachelor of Applied Science (BAS). See an advisor.

CHOOSE YOUR COURSES WITH YOUR COLLEGE ADVISOR

Placement

Students must meet prerequisite standards before taking WRT 101 and to meet the Math Competency, required in the pathway below. If you are not prepared for these courses based on placement results you will need to take courses to build your skills prior to taking them. The sequence of courses follows.

Math: ICS 081 > MAT 092

Reading: ICS 079 > REA 081 > REA 091

Writing: ICS 079 > WRT 090 > WRT 101 (or WRT 101S can replace both WRT 090 and WRT 101)

If BUS 151, GTM 105, or a MAT course higher than MAT 106 is chosen additional coursework may be needed.

Semester Pathway

This pathway is a suggested sequence of courses for your program of study. Work with an advisor to develop a unique pathway for you based on your placement recommendations, any prior college courses and your specific situation.

General Education Note: When General Education (Gen. Ed.) credits are listed below, select from the appropriate General Education course list linked from the program website. Some programs recommend specific courses.

For this pathway, ensure that one Gen. Ed. course fulfills the C or G requirement.

Fall 1 (Semester Total: 16 credits)

CIS 103: Microsoft Windows Operating System (3 credits)

CIS 136: Computer Hardware Components (3 credits)

CIS 137: Introduction to the Linux Operating System (3 credits)

Gen. Ed.: CTE Mathematics & Science List *Recommend:* MAT 106: Elementary Data with Spreadsheets or better (3 credits)

STU 100: College Study Skills (1 credit)

Gen. Ed.: CTE Other List. *Recommend:* CMN 120: Business and Professional Communications (3 credits)

Spring 1 (Semester Total: 15 credits)

CIS 221: Deploying and Managing Windows Servers (3 credits)

CIS 119: Networking Essentials (3 credits)

CIS 188: Scripting for Automation (3 credits)

Gen. Ed.: CTE Communication List. *Recommend:* WRT 154: Career Communications or WRT 101 (3 credits)

Gen. Ed.: CTE Social & Behavioral Sciences List. (3 credits)

Fall 2 (Semester Total: 15 credits)

CIS 222: Implementing Windows Server Network Infrastructure (3 credits)

CIS 216: Introduction to Wireshark and Network Analysis (3 credits)

CIS 225: Linux System and Network Administration (3 credits)

CIS 228: Fundamentals of Network Security (3 credits)

Gen. Ed.: CTE Arts & Humanities List. (3 credits)

Spring 2 (Semester Total: 15 credits)

CIS 223: Implementing Windows Directory Services (3 credits)

CIS 226: Advanced Linux Networking (3 credits)

CIS 219: Introduction to Virtual Computing (3 credits)

CIS 284: Capstone (3 credits)

Elective: CIS Elective (3 credits)

PROGRAM TOTAL: 61 credits

Program/Major/Concentration Codes: **AASCOMPYSAD/CSN2**
