Health Information Technology Associate of Applied Science

Full-time, Fall Start

www.pima.edu/health-info-aas

Prepare for entry-level employment or advancement within the health-care industry as a professional Health Information Technician.

Title IV Financial Aid eligible: Yes

What can I do with this degree?

Career options: Find entry-level employment as a medical coder, medical billing and insurance claims specialist, or physician or hospital coder.

Academic options: This program may apply toward a Bachelor of Applied Science (BAS). See an advisor.

CHOOSE YOUR COURSES WITH YOUR COLLEGE ADVISOR

Placement

Students must meet prerequisite standards before taking CIS 120 and WRT 101, and to meet the Math Competency in the pathway below. If you are not prepared for these courses based on placement results you will need to take courses to build your skills prior to taking them. The sequence of courses follows.

- Math: ICS 081 > MAT 092
- Reading: ACL 080 > REA 091
- Writing: ACL 080 > WRT 090 > WRT 101 (or WRT 101S can replace both WRT 090 and WRT 101)

Semester Pathway

This pathway is a suggested sequence of courses for your program of study. Work with an advisor to develop a unique pathway for you based on your placement recommendations, any prior college courses and your specific situation.

General Education Note: When General Education (Gen. Ed.) credits are listed below, select from the appropriate General Education course list linked from the program website. Some programs recommend specific courses.

For this pathway, ensure that one Gen. Ed. course fulfills the C or G requirement.

<table>
<thead>
<tr>
<th>Semester 1 – Fall (Semester Total: 17 credits)</th>
</tr>
</thead>
<tbody>
<tr>
<td>BIO 160IN: Introduction to Human Anatomy and Physiology (4 credits)</td>
</tr>
<tr>
