Answers to Vendor Questions - Questions are in black, answers are in red.

1. (Page 14, Article 9) Regarding the conflict of interest clause does a working relationship with Pima Community College prohibit all similar work with other organizations, or just work on the same grant opportunity?

   Just work on the same grant opportunity.

2. (Page 14, Article 9) Does work at a community college grants office violate the conflict of interest requirement?

   Yes, unless your work with the community college grants office is as a consultant (you cannot be an employee).

3. (Page 4, Scope of Work) What are the anticipated target agencies and programs for the consulting?

   Successful applicants will have experience writing and submitting grant proposals on behalf of institutions of higher education to agencies and programs in one or more of the following areas: Federal, State, Local, and Private Foundations.

4. (Page 4, Scope of Work) How many proposals will be involved?

   Unable to determine at this time.

5. (Page 4, Scope of Work) Can the bulk of proposal development be accomplished via distance (using web-based collaborative tools, phone, and e-mail)?

   Yes.

6. (Page 4, Scope of Work) Would Pima Community College identify a project director and project teams with content knowledge be identified for developing the proposals prior to the consultant's work?

   Yes.

7. (Page 4, Scope of Work) What are opportunities for proving grant-related training to faculty and staff of Pima Community College?

   None.
