**Evaluation Notes:**

\* AA degree must be composed of at least 90 quarter credits (60 semester credits) to fulfill Kaplan's prior degree requirement. Any college-level (non-developmental) credits completed above the required 90 quarter credits (60 semester credits) can be applied to the Open Elective requirements.

\*\* Students should choose this course in registering for categorical requirements at Pima Community College.

\*\*\* Course fulfilled through the associate degree completion has been waived. An Open Elective has been added to balance the credit.

+ Course is offered by Pima Community College but is not required for the Associate of Arts in Psychology degree plan. If not completed at Pima Community College, this course would need to be completed at Kaplan University.

This worksheet does not constitute an official evaluation of a student's prior learning. All students who possess prior learning are encouraged to submit evidence of such and apply for credit evaluations. The University may award credit for various forms of prior learning including courses taken at other institutions, experiential learning, military credit, and others. All prior learning is reviewed on a case-by-case basis, and credit is awarded ultimately at the discretion of the University. To be considered, official transcripts and exam scores should be sent to the following address:
