- Both institutions enter into this MOU in the spirit of cooperation and mutually recognize each other as quality institutions of higher learning dedicated to serving diverse students from all walks of life.
- This commitment strongly supports the concept of seamless transfer that embraces the principle that transfer students should not be required to repeat competencies already achieved.
- Under the terms and conditions of this MOU, participating students will maximize as much as possible their community college coursework and credits.
- Through ongoing communication between their faculty and staff, Pima and *Arizona Christian University* will better understand the obstacles confronting students who are transferring and cooperate in removing such obstacles.

TRANSFER ELEMENTS

Treatment of Associate's Degrees as Admission Criteria

This MOU establishes the principle that applicable Associate's Degrees at Pima transfer to *Arizona Christian University*. Pima graduates will not need to repeat lower-division major requirements at *Arizona Christian University*. All credits are accepted and applied toward the designated/appropriate college degree(s). Articulated Associate's Degrees will be identified, maintained, and available as a separate document from this MOU.

Pima graduates who earn the applicable Associate's Degree with a minimum cumulative GPA of 2.0 for college level courses numbered 100 and above, entering under the terms of this MOU are guaranteed admission into the university. However, students should be advised that some degree programs at *Arizona Christian University* might require a higher GPA for admission.

Pima graduates are subject to *Arizona Christian University's* transfer process and, therefore, must meet all applicable requirements and deadlines pertaining to application for admission, advising, registration, and payment of tuition and fees. They will abide by the policies and procedures, along with any revisions thereof that apply to all students from that institution.

In order to complete the baccalaureate program in a timely manner, students are advised to follow the transfer guide for the academic program they plan to pursue at *Arizona Christian University*. If the student intends to change degree focus upon admission to *Arizona Christian University*, the student may be required to complete some lower-division preparation work prior to beginning the program at *Arizona Christian University*.

Students who transfer to *Arizona Christian University* without an applicable Associate's Degree will have their courses evaluated on a course-by-course basis and may be required to take additional courses necessary to satisfy the degree requirements at *Arizona Christian University*.

Arizona Christian University fully accepts and transfers in all credits for students whom have an earned associate's degree.

Arizona General Education Curriculum (AGEC)

Completion of Pima's Arizona General Education Curriculum (AGEC), a 35 semester-credit general education program of study will transfer and satisfy the lower-division general education requirements at *Arizona Christian University*. The AGEC can be transferred and accepted as a component of an Associate's Degree or as a stand alone general education block not affiliated with an Associate's Degree.

Award of Upper-Division Credit

Students who transfer lower-division credits beyond that required for an Associate degree or whose lower-division credits or competencies are equivalent to designated upper-division credits or competencies, can request these courses or competencies be evaluated by *Arizona Christian University* and, where appropriate, apply to meet upper-division course requirements.

Total Number of Credits Transferable from Pima

The maximum number of lower-division credits that can be accepted and applied to the university degree at *Arizona Christian University* is 84. *Arizona Christian University* awards semester credits.

Longevity of the MOU

This MOU shall be effective immediately upon approval and shall continue in force and effect until terminated by either party. Termination shall occur upon written notice by either party to the other submitted six (6) months prior to the termination date. Students accepted into the program prior to the termination date will be allowed to continue in the program. This agreement is subject to cancellation pursuant to the provisions of A.R.S. 38-511, the terms of which statute are deemed incorporated herein.
