- Ancillary costs extensive

Slide 7: Aviation Support – Financial Aid
[image of students near aircraft landing gear]

Financial Aid a Must

- Fin Aid Applicants: 109
- Pell Grants: 84
- Subsidized Loans: 60
- Unsubsidized Loans: 46
- Job Path: 22
- County One Stop: 28
- Other Financial Aid: 5

Slide 8: Aviation Support 2013 – Scholarships and Other Financial Assistance
[image of aircraft on a tarmac]

- Foundation: 9
- Other Scholarships: 9
- Adelante: 3
- Job Path: 22
- One Stop: 13

Slide 9: Aviation Partnerships
[image of speaker at a podium with microphone]

- Bombardier
- Universal Avionics
- Federal Express
- Experimental Aircraft Association
- Joint Technological Education District
- Job Path
- Pima County One Stop Center
Slide 10: Aviation - Resource Development

Federal Express Donation of 727 Jet

- $800,000 value
- Second Donation
- One of several large, medium and small aircraft

Experimental Aircraft Association

- Scholarship Program
- 1 Structural Repair; 1 Airframe & PowerPlant; 1 Avionics
- Advisory Committee

Bombardier

- Scholarship Program
- Employment Opportunities

Slide 11: ATC – Resource Development

Universal Avionics

- Employment Opportunities
- Donations
- Advisory Committee

Tucson Airport Authority

- Site
- Advisory Committee

Others – Pending

Slide 12: Aviation Program Outlook

[Image of a cockpit]

- High Demand Industry
- Significant future growth due to retirements
- Industry and community support
- Committed faculty and staff

Slide 13: Q & A

[Image of the back of a male student. Tee shirt says “Pima Community College, Aviation Technology Program”]

[Image of a large question mark]
