### **To the Class of 2024:**

Congratulations! It's a time to celebrate, and you, Pima Community College's 4,699-member Class of 2024, have earned the right to cheer!

Your degree or certificate will be a passport to further academic and career achievement. The worlds of work and learning are changing rapidly. Fortune will favor those who embrace learning as a lifelong pursuit. We hope that for many of you, tonight's graduation is the first of many.

I would like to thank our faculty, staff, administrators and Governing Board, who have worked hard to help you cross the finish line.

I also want to thank College Events, PCCTV and the many Pima employees volunteering their time to create what should be a uniquely fun experience.

And most of all, thank you and congratulations Class of 2024!

*Dolores Duran-Cerda*

Dolores Duran-Cerda, Ph.D.

### **Congratulations, Pima Community College Graduates!**

The Governing Board Members of Pima Community College want to extend our warmest congratulations to all of the 2024 graduates. Your dedication and hard work brought you to this significant milestone. As you step into the next chapter of your lives, remember the valuable skills and knowledge you have gained here. Embrace the challenges ahead with confidence and continue to pursue your dreams with determination. Remember, this is just the beginning of your journey. Embrace the opportunities ahead, continue to learn and grow, and make a positive impact in your communities. Congratulations and best wishes for your future endeavors!

## COMMENCEMENT SPEAKER

### ***Maria "Wendy" Castro-Jimenez***

Maria "Wendy" Castro-Jimenez, daughter of Alejandro Lomeli and Gwendoline Jimenez, is graduating Pima with an Associate of Arts Liberal Arts Degree with highest honors.

She plans to pursue a bachelor's degree in psychology at The University of Arizona. She is a Tucson native and is the first in her family to complete a higher education degree.

In 2018, she graduated from Canyon Del Oro High School, where she was a member of the National Honor Society. She began taking classes at Pima in spring 2022 and played on Pima's NJCAA softball team during the 2022-2023 academic year. Castro has volunteered for various organizations, including Banner Health, TMC for Children hospital and Youth on Their Own.

She says it is time for her and her classmates in the Class of 2024 to pay it forward.

"Whether it's lending a helping hand to a neighbor in need, volunteering at a local shelter or supporting grassroots initiatives, each act of kindness ripples outward, creating a wave of positive change," she says.

# MULTICULTURAL CONVOCATION STUDENT SPEAKERS — DIVERSITY STATEMENTS

## ***Juliana Manning***

Diversity means acknowledging and embracing our differences. Diversity is unifying people of all backgrounds, age groups, cultures, beliefs and experiences. Diversity in all forms is the path to growth and the key to success. We are all different as individuals, as well as our thoughts. Through the collaboration of our different ideas, a more complex understanding of one another can be reached, giving us knowledge that can only be gained through experience.

## ***Atheena "TT" Martinez***

Thriving in many diverse cultures allowed me to learn differently. It allowed me to adapt in a way that precedes my success and permits me to engage in conversation with other people, whether that's in class or within the community. Exploring diversity allowed me to watch the many ways of parenting and learn how to be a mother. Diversity has set the course of my life, from growing up around bikers to growing up around my blue-collar family. So, to me, diversity is acceptance, exceptional acceptance. Diversity is music, clothing, family, friends. Diversity is us.

## ***Stephen Perko***

Diversity is simply variety; a variety of perspectives that, when put together, allow us to benefit from our differences by providing a detailed and complete community. In a world of negativity and conflict, I have found positivity and success in identifying the good in others, despite their minor differences.

# PIMA COMMENCEMENT CEREMONY AND REGALIA BACKGROUND

Pima Community College generally requires that graduates wear traditional “cap and gown” academic regalia during the commencement ceremony. At the same time, Pima also embraces graduates’ self-expression, both reverent and light-hearted, as part of the ceremony. Graduates may and often do personalize or supplement their traditional graduation attire to reflect their own traditions, achievements and personalities. There may also be times when wearing alternate ceremonial attire, other than a traditional cap and gown, enhances the commencement ceremony for the graduate while still honoring the importance of the occasion.

The tradition of wearing caps and gowns at Pima Community College graduation ceremonies began in the mid-1980s. During the procession, Pima graduates, administrators and faculty members wear colorful academic regalia that has an interesting history and symbolism.

The costume was created at ancient European universities and was worn daily to distinguish academic persons, such as doctors, masters, licentiates and bachelors, from other populations. It evolved further as colleges and universities adapted the gown, hood and cap from early European versions. Each costume has a distinct meaning.

The doctoral gown has velvet panels and sleeve bars in the distinctive color representing the field of learning and immediately identifying the doctor’s degree. The master’s gown is identified by the sleeve that drapes freely to the wrist, with the back of the sleeve extending down below the knee in a crescent shape. The distinguishing feature of the bachelor’s gown is the official pointed sleeve, lavish in its drape and fullness. The simplest style indicates the gown of the associate degree candidate.

The Intercollegiate Code dictates colors on the academic hood that relate to various fields of learning: Light blue represents education; brown, fine arts and architecture; peacock blue, public administration; apricot, nursing; citron, social work; and sapphire blue, business administration.

Students graduating with honors who belong to the national scholastic honor society Phi Theta Kappa, wear a gold hood and tassel. Some also will wear pewter medallions hanging from a red, white and blue ribbon, signifying that they have completed the Student Medallion Leadership Institute. During the ceremony graduates will move their tassels from right to left, as instructed, to complete the conferring of degrees.

During the processional, the Chancellor is traditionally preceded by the bearer of the academic mace. The academic mace has become the symbol of the power of colleges and universities to confer degrees to candidates who have earned the privilege of the degree.

The Pima Community College mace is constructed of materials native to Arizona: Mesquite; turquoise and copper. It was designed by Pima’s Media Production and Publications department.

The mace and base were commissioned for fabrication to local artisans: Ken Tower, a retired instructor from Flowing Wells High School, for the mesquite woodworking; Shane McPherson of Mac’s Indian Jewelry, for the creation of the turquoise-inlaid copper rings and the turquoise inlay to the seals; and Desert Crucible Inc., a local art foundry, for casting the bronze College seal.

# 2024 CLASS PROFILE

A total of 4,699 Pima Community College students have graduated or are candidates for graduation at the May ceremony.

The oldest graduate is 82 years of age and earned a Post Degree Certificate Paralegal in December 2023.

The youngest is 16 years old and earned the Arizona General Education Curriculum - Arts (AGEC-A) certification in December 2023.

The class has 2,435 female candidates and 2,217 male candidates. (Some students do not indicate a gender on their graduation application.) The College expects to award 6,071 degrees and certificates to these students. Many Pima students earn more than one certificate and/or degree.

A total of 137 graduation candidates, or 8.76% of the 1,552 associate degree candidates have a grade point average of 3.90 or greater and meet the requirements for graduation with highest honors.
