Program Certificate (Phi Theta Kappa)*

## ***Presentation of Degrees***

*We ask that all participants stay for the entire ceremony out of respect  
for their fellow graduates.*

## ***Conferring of Degrees***

## **To the Class of 2026**

Congratulations on this important achievement. Your hard work and dedication have brought you to this moment, and we are proud of all you have accomplished.

We recognize that this journey has not been easy. Many of you have balanced work, family, and academic responsibilities, while others have taken a longer path to reach this milestone. However you arrived here, your persistence and commitment to completion are worthy of recognition, and today stands as a testament to both.

Graduation marks a meaningful transition: the close of one chapter and the beginning of another. Take time to reflect on all that you have overcome and achieved. This accomplishment is well-earned.

Learning does not end here. Your time at Pima has provided a strong foundation upon which to build. As you move forward, embrace new experiences and learn from every challenge. The opportunities before you are real, as is your ability to excel.

You leave this institution prepared for what lies ahead. This community is proud of you and confident in all that you will achieve.

Jeffrey P. Nasse, Ph.D.  
*Chancellor*

## **Congratulations, Pima Community College Graduates!**

On behalf of the Governing Board, I want to extend our warmest congratulations to each of you. Your persistence, resilience, and commitment have brought you to this moment, and we couldn't be prouder.

As you move forward, take with you the knowledge, values, and connections you've built here at Pima. Use them to create meaningful change in your lives and in the world around you. Every educational journey is unique. We are grateful you chose Pima, and we can't wait to see all you will accomplish.

Greg Taylor, *Chair*  
*Pima Community College District Governing Board*

**GOVERNING BOARD**

Nicole Barraza, Ph.D., *District 1*  
Greg Taylor, *District 4*

Theresa Riel, *District 2*  
Karla Bernal Morales, *District 5*

Kristen Ann Randall, *District 3*

# Commencement Speaker

**Alexandro Guzman**  
*Associate of Arts-Liberal Arts,  
Honors Program Certificate  
(Phi Theta Kappa)*

Alex Guzman is an entrepreneur and student pursuing student ultimately pursuing degrees in Political Science and Public Administration. Driven by a strong passion for serving others, particularly those in need, he founded WooLearning and Woozia, which create practical education and opportunities that help people build real-world skills. During his time at Pima, he balanced full-time coursework with running multiple businesses and mentoring others.

“My time at Pima Community College was transformative because it gave me a second opportunity to fully commit to my education with purpose and clarity,” he says. “Through my classes and those experiences, I learned how to think more critically, communicate more effectively, and hold myself to a higher standard.”

Alex is continuing his education at Northern Arizona University through the 90/30 program and plans to pursue a master’s degree in Public Administration. He is committed to leadership, public service and creating pathways for others to succeed.

“To the Class of 2026, my message is simple: this is not the finish line, it is your launch point,” he says. “Wherever you go next, keep building momentum, stay consistent, and don’t underestimate how far small, focused actions can take you over time.”

# Class of 2026 Student Community Representatives

## **Christian Leonardo Ornelas**

*Associate of Arts, Liberal Arts (Phi Theta Kappa)*

Christian Leonardo Ornelas says he is an example of lifelong perseverance and turning your dreams into reality.

“I had already started my education while I was incarcerated and Pima was always the school I pictured myself at,” he says.

Christian was involved in Pima’s chapter of Phi Beta Kappa honor society and one of the TRiO programs. He also partnered with Pima Honors to help integrate car culture into Pima community involvement, hosting car show fundraisers for students on the verge of dropping out, and organizing park cleanups. He credits PTK with giving him a space to turn his lived experience into leadership roles.

On his own, he founded Stanced Up Click, a movement in the car community built on unity, creativity and giving people second chances.

“I’m committed to being a light – to helping people shine and to continuing my journey of service and leadership as I move forward,” Christian says. “My story is proof that you can come from anywhere, rise through anything, and still lead with heart.”

## **Genesis Alexia Vazquez Cordova**

*Associate of Applied Science-Justice Professions*

Genesis Vazquez says she is dedicated, goal-driven and committed to personal growth and academic success. She values perseverance, self-improvement and meaningful connections.

During her time at Pima, she balanced her studies with a job and “real-life challenges” that strengthened her resilience and determination. She said having the support of her instructors was transformative, giving her a deeper understanding of the world and the impact she wants to have in it, especially in helping others and advocating for change.

“I am passionate about making a positive impact in my community, especially in areas related to social justice and helping others,” she says. “As I move forward, I am focused on continuing my education and building a future I can be proud of.”

## **Daneliz So**

*Associate of Applied Science-Cybersecurity*

Daneliz So is a first-generation college student who will attend the University of Arizona this fall to pursue a bachelor’s degree.

When she was 18, she moved on her own to the United States from Mexico. While studying full-time at Pima she also worked full-time as a sales representative in a retail store, coming to understand how self-discovery and perseverance build determination. She says her fire and determination stem from her empathy toward individuals and families whose lives have been ruined by a cyber attack. “Security is Justice,” she says.

Daneliz says Pima gave her a strong community, a solid foundation, and, most importantly, confidence in herself. At Pima, she says, she truly found herself. The College’s excellent faculty, tutors and advisors were patient, supportive and encouraging, helping her discover her own capabilities.

“Pack everything you’ve learned here, from your professors, your peers and yourself, and carry it with you into whatever comes next,” she says. “It doesn’t stop here. Our potential reaches as far as we are willing to go. And if you don’t have the means, fight for your dreams anyway. You will figure it out along the way.”

---

**Andrew Plucker**

*Executive Director of Employee Service Center*

**Julie Dall'Aglio**

*Executive Director of Sponsored Programs*

# Pima Commencement Ceremony and Regalia Background

Pima Community College generally requires that graduates wear traditional “cap and gown” academic regalia during the commencement ceremony. At the same time, Pima also embraces graduates’ self-expression, both reverent and light-hearted, as part of the ceremony. Graduates may and often do personalize or supplement their traditional graduation attire to reflect their own traditions, achievements and personalities. There may also be times when wearing alternate ceremonial attire, other than a traditional cap and gown, enhances the commencement ceremony for the graduate while still honoring the importance of the occasion.

The tradition of wearing caps and gowns at Pima Community College graduation ceremonies began in the mid-1980s. During the procession, Pima graduates, administrators and faculty members wear colorful academic regalia that has an interesting history and symbolism.

The costume was created at ancient European universities and was worn daily to distinguish academic persons, such as doctors, masters, licentiates and bachelors, from other populations. It evolved further as colleges and universities adapted the gown, hood and cap from early European versions. Each costume has a distinct meaning.

The doctoral gown has velvet panels and sleeve bars in the distinctive color representing the field of learning and immediately identifying the doctor’s degree. The master’s gown is identified by the sleeve that drapes freely to the wrist, with the back of the sleeve extending down below the knee in a crescent shape. The distinguishing feature of the bachelor’s gown is the official pointed sleeve, lavish in its drape and fullness. The simplest style indicates the gown of the associate degree candidate.

The Intercollegiate Code dictates colors on the academic hood that relate to various fields of learning: Light blue represents education; brown, fine arts and architecture; peacock blue, public administration; apricot, nursing; citron, social work; and sapphire blue, business administration.

Students graduating with honors who belong to the national scholastic honor society Phi Theta Kappa, wear a gold hood and tassel. Some also will wear pewter medallions hanging from a red, white and blue ribbon, signifying that they have completed the Student Medallion Leadership Institute. During the ceremony graduates will move their tassels from right to left, as instructed, to complete the conferring of degrees.

During the processional, the Chancellor is traditionally preceded by the bearer of the academic mace. The academic mace has become the symbol of the power of colleges and universities to confer degrees to candidates who have earned the privilege of the degree.

The Pima Community College mace is constructed of materials native to Arizona: Mesquite; turquoise and copper. It was designed by Pima’s Media Production and Publications department.

The mace and base were commissioned for fabrication to local artisans: Ken Tower, a retired instructor from Flowing Wells High School, for the mesquite woodworking; Shane McPherson of Mac’s Indian Jewelry, for the creation of the turquoise-inlaid copper rings and the turquoise inlay to the seals; and Desert Crucible Inc., a local art foundry, for casting the bronze College seal.

# 2026 Class Profile

A total of 4,564 Pima Community College students have graduated or are candidates for graduation at the May ceremony. The College expects to award 2,509 Associate Degrees; 2,046 Certificates and Post-Degree Certificates; and 1,361 Arizona General Education Curriculum (AGEC) Certifications to these students. Many Pima students earn more than one degree, certificate and/or AGEC certification.

The average age of our graduating class is 28. Slightly more than 54% of graduates are ages 16-25 while nearly 46% are ages 26-80.

A total of 241 (9.6%) of the 2,501 Associate Degree candidates have a grade point average of 3.90 or greater and meet the requirements for graduation with Highest Honors.

## ***Among the College's associate degree programs, these have the highest number of graduation candidates\*:***

872	AA Liberal Arts	34	AAS Automotive Technology
259	AS Science	34	AAS Networking/Cyber Defense
205	AB Business Administration	33	AAS Digital Film Arts and Animation
203	AAS Nursing	31	AAS Automotive Ford ASSET
84	AAS Cybersecurity	26	AAS Digital Arts
60	AFA Visual and Performing Arts	26	AAS Hospitality Leadership
57	AAS EMT Paramedic	24	AAS Dental Hygiene
57	AGS General Studies	22	AAS Building and Construction Technologies
54	AAS Business	22	AAS Early Childhood Studies
50	AAS Aviation Technology	22	AAS Welding and Fabrication
38	AAS Health Information Technology	21	AAS Machine Tool Technology
37	AAS Programmer Analyst	20	AAS Radiologic Technology
35	AAS Veterinary Technician		

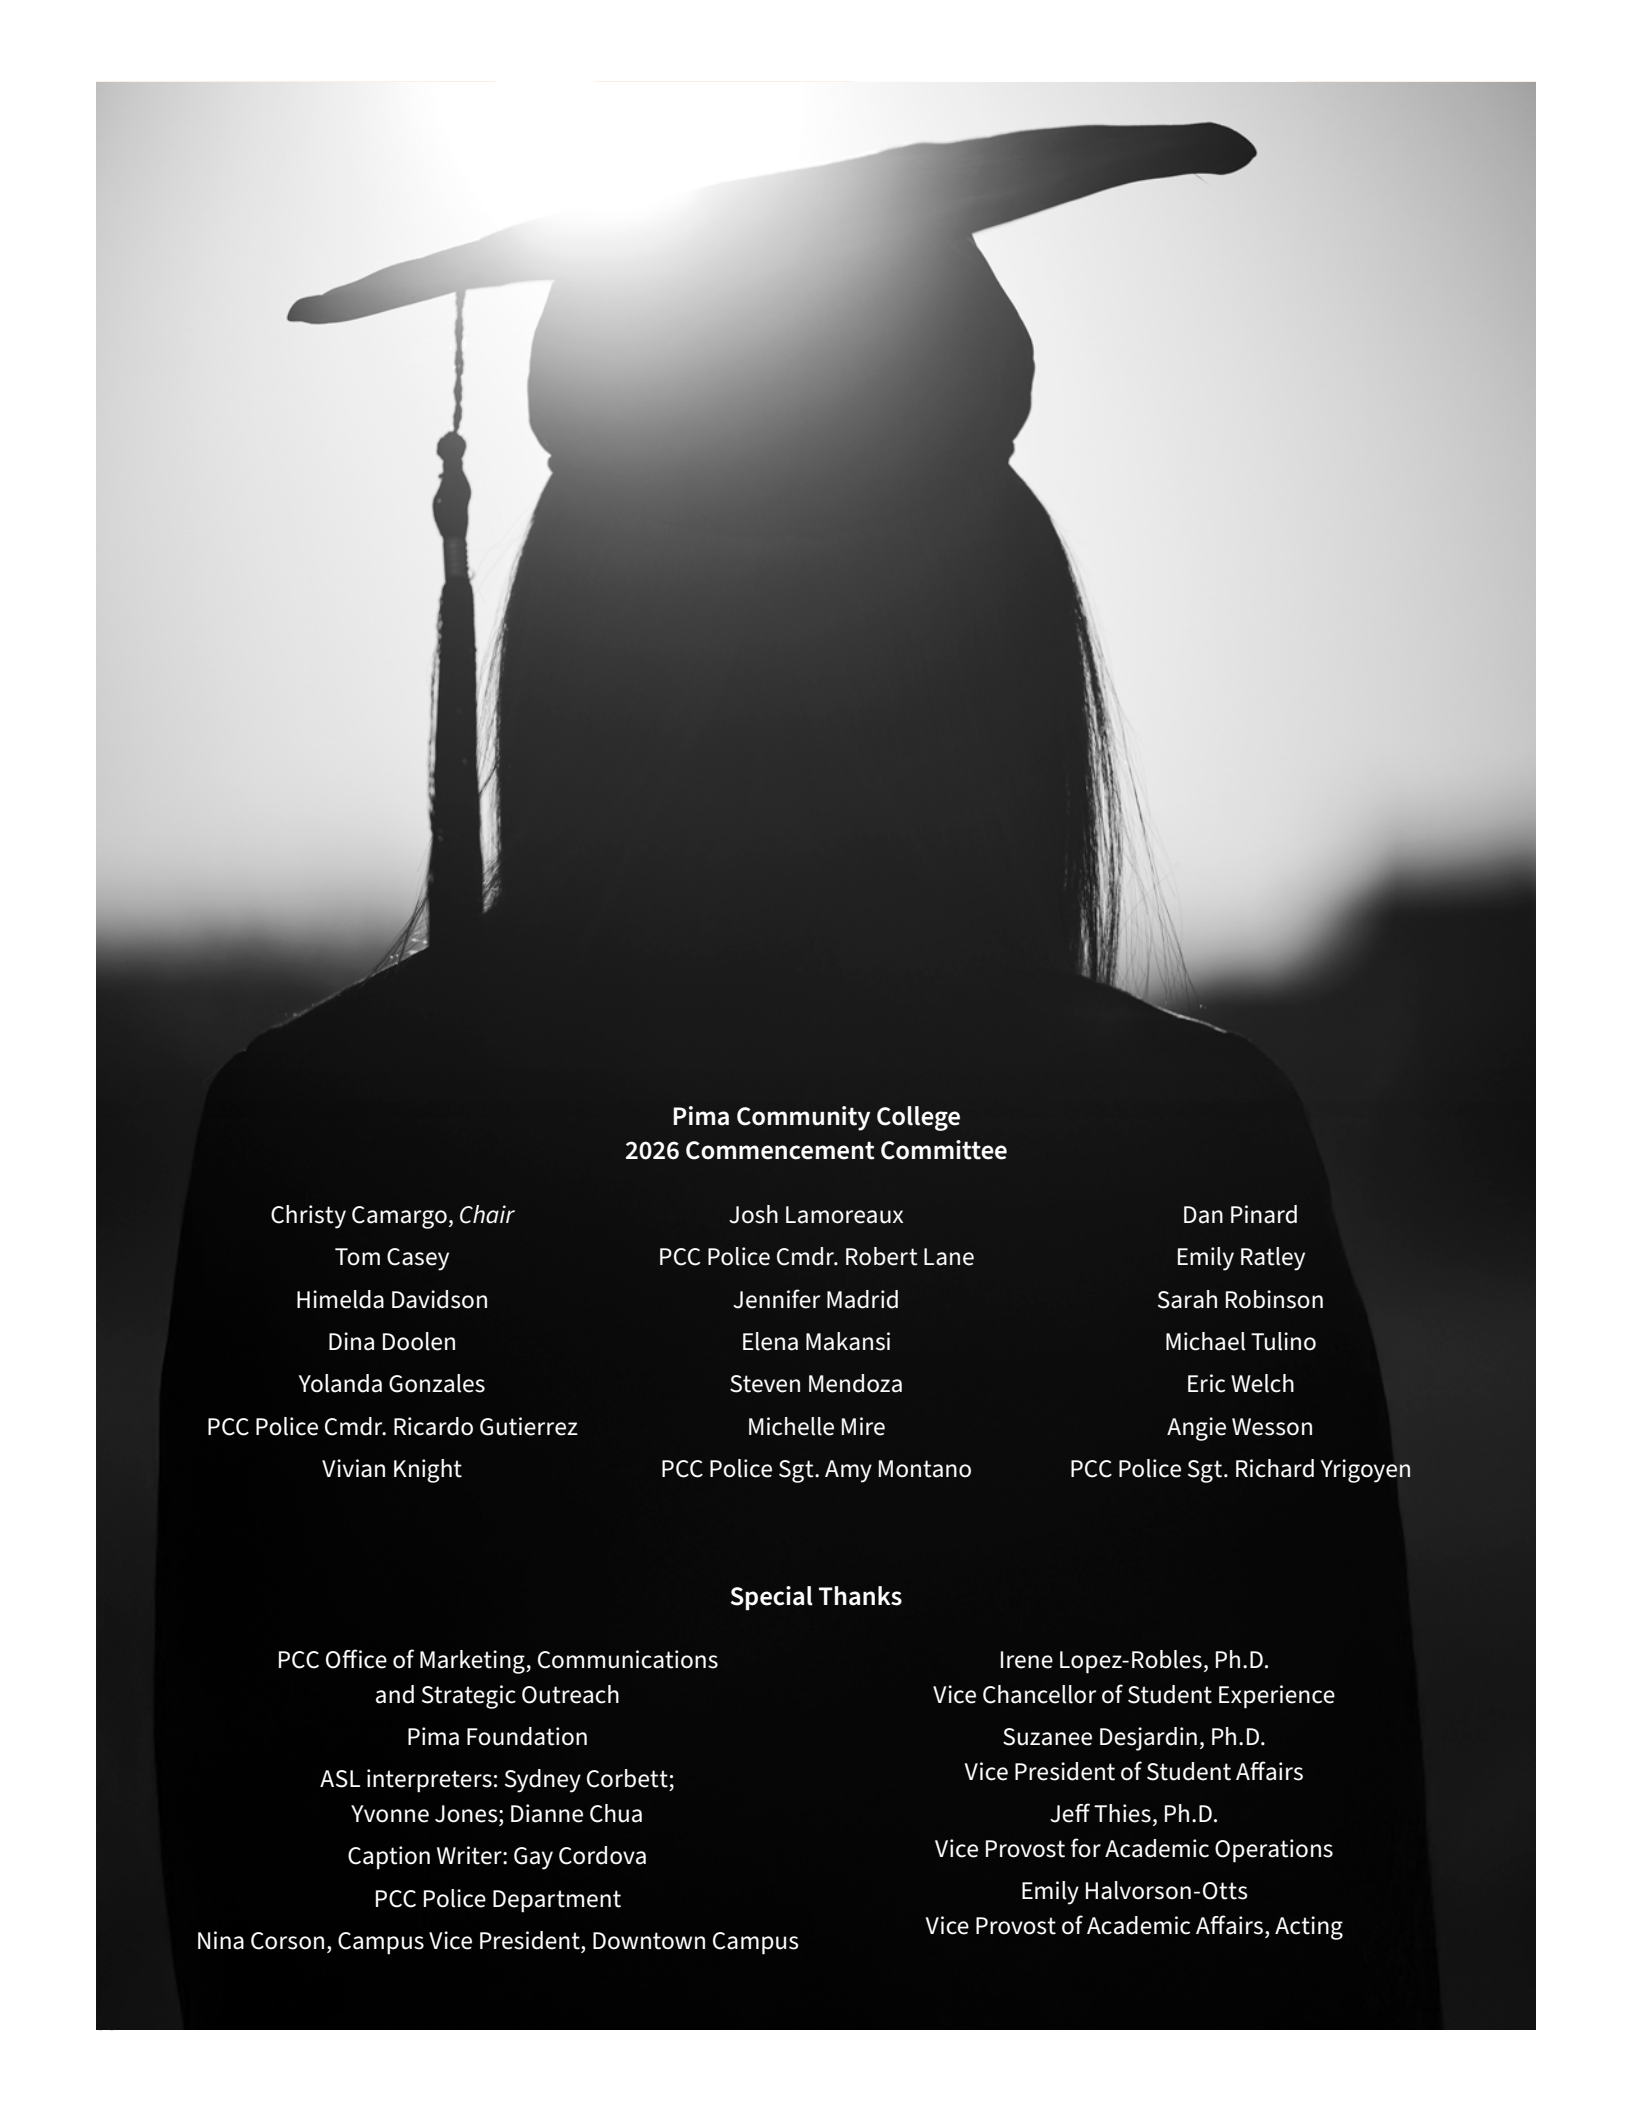

*AA - Associate of Arts // AFA - Associate of Fine Arts // AGS - Associate of General Studies // AAS - Associate of Applied Science  
\*All other associate degree programs within the College are graduating 19 or fewer students.*

## ***The degrees and certificates to be awarded are:***

1,937	Certificates	109	Post-Degree Certificates
1,056	Associates of Applied Science	60	Associates of Fine Arts
872	Associates of Arts	57	Associates of General Studies
259	Associates of Science	1,361	AGEC Certifications
205	Associates of Business		

## ***The ethnic composition of the graduating class is:***

American Indian or Alaskan Native	75	1.64%	Native Hawaiian or Pacific Islander	13	0.28%
Asian	143	3.2%	Race and Ethnicity Unknown	79	1.73%
Black or African American	246	5.37%	Two or More Races	162	3.54%
Hispanic/Latino	2,280	49.80%	White	1,580	34.51%

**Pima Community College  
2026 Commencement Committee**

Christy Camargo, <i>Chair</i>	Josh Lamoreaux	Dan Pinard
